Hi Jennifer,

I don't see anything that directly relating to the strike. We have State Board of Education audio and minutes. Would they have talked about the strike?

Paul,

I thought I would also check with you to see if Archives has any records related to teacher strikes.

Hope all is well at State Archives!

Kirk, Adam, and/or Mary Lynn,

It seems that the last teacher strike occurred in 1994 under Commissioner William T. Randall. Although this is before your time, I wanted to double check if you knew of any old files/documentation/historical records pertaining to teacher strikes.

Please let me know if you can think of anything.

Thanks!
